A Message from the Executive Director

Monica Ramos, Executive Director

Downtown San Angelo recently marked a monumental milestone—20 years of dedicated work in revitalizing and enhancing the heart of the city. Over the past two decades, passionate individuals, local businesses, and property owners have come together to shape the vibrant and thriving downtown area that residents and visitors know today.

The initiative has been about much more than just physical renovation; it's been a community-driven effort to create a welcoming and dynamic space where people can live, work, and enjoy all the beauty and culture San Angelo has to offer. Thanks to this collaborative spirit, downtown San Angelo has experienced an ongoing transformation, becoming a hub of activity with a mix of local shops, eateries, and unique attractions.

In celebration of this significant achievement, a new marketing project—The Celebrating Downtown Banner Project—is set to debut. This initiative will add a burst

of color and vibrancy to the downtown streets, with eye-catching banners that not only highlight the area's rich history but serve as a reminder of all the wonderful things there are to do and see in downtown.

This newsletter will also reflect on some of the remarkable events that have made a lasting impact on our community. One of the highlights was the Mini Miss Wool Pageant, which brought so much fun and excitement to all who attended. Additionally, our assistance with the Concho Christmas Tour of Lights was truly inspirational, as it brought the community together in the spirit of the season. The Tamale Fest was another great success, with the delicious tamales drawing crowds and adding to the festive atmosphere.

Lastly, the Dia de los Muertos celebration was an unforgettable event, filled with culture and remembrance. It's events like these that draw attention to downtown San Angelo, boost the local economy, and help showcase the rich diversity and vitality of the area.

I'd also like to take a moment to thank our longtime members and welcome our new members of DSA. Your continued support, enthusiasm, and dedication have made all the difference in helping us achieve these incredible milestones. Together, we've made a lasting impact, and I look forward to the next chapter of our journey.

The past 20 years have been a testament to what can be achieved when a community comes together with a shared vision. The future of downtown San Angelo looks incredibly bright, and with continued investment and passion from the people who love it, there's no telling just how far it can go.

Downtown Banner Project

As part of our ongoing efforts to showcase the vibrant culture and rich history of San Angelo, Downtown San Angelo, Inc. is thrilled to announce our newest initiative: a Downtown-specific banner project set to debut in 2025. This exciting project will highlight the many treasures that make our downtown area truly unique.

The banners will feature a vibrant collection of iconic images and events, offering a visual celebration of San Angelo's thriving downtown. From the artistic elegance of the Ballet San Angelo to the cultural significance of the Museum of Fine Arts, these banners will showcase the events and landmarks that define our community. We're also shining a spotlight on our incredible partnerships, such as the ongoing collaboration with Goodfellow Air Force Base, which plays a crucial role in the city's connection to military service and national defense.

This banner project is designed to celebrate all the elements that make Downtown San Angelo so special—from the historic to the contemporary. It's an opportunity to capture the essence of our downtown, spotlighting the people, organizations, and partnerships that contribute to its vibrant energy and growth.

We look forward to unveiling the banners in 2025 and hope they serve as a beautiful tribute to the heart of our city, inviting residents and visitors alike to explore, experience, and celebrate everything Downtown San Angelo has to offer.

Celebrating 20 Years: *Growth and Community In Downtown San Angelo, Inc.*

This year, Downtown San Angelo, Inc. proudly marks a significant milestone – our 20th anniversary. While we initially envisioned a grand dinner celebration to bring the community together, the reality of this past year led us to think outside the box and find new ways to honor this special occasion. And what better way to commemorate two decades of progress than by spotlighting the heart of Downtown San Angelo—the businesses and individuals who’ve made it all possible?

Instead of a traditional event, we embarked on a journey to connect with some of the pioneering businesses that have been the foundation of our vibrant downtown district. Through a series of in-depth interviews, we had the privilege of speaking with the original business owners who, from the very beginning, believed in the potential of our downtown. Their stories reflect the challenges they’ve overcome, the relationships they’ve built, and the passion they’ve shared for this community. These interviews, carefully edited and posted across our social media platforms, gave everyone an inside look at what it truly takes to help a downtown area flourish.

The series was a celebration of the spirit of collaboration and resilience that defines Downtown San Angelo. As we shared these stories, we were reminded of how far we’ve come—and how essential these businesses continue to be in shaping the present and future of our downtown.

In addition to the interviews, we took the opportunity to recognize and honor some of our most outstanding businesses with special awards. These awards were given to businesses that have made extraordinary contributions in the areas of Longevity, Business Innovation, Community Contribution, and Business Legacy. Each recipient has played an essential role in not only maintaining the vibrancy of our downtown but also fostering an environment where new ventures can grow and thrive.

Award Recipients:

- **Longevity Award:** Recognizing businesses that have stood the test of time and continue to be cornerstones of our downtown.
- **Business Innovation Award:** Celebrating businesses that have introduced creative ideas, products, or services, contributing to the ongoing transformation of Downtown San Angelo.
- **Community Contributor Award:** Honoring groups that have gone above and beyond in giving back to the local community, whether through philanthropy, volunteer work, or local partnerships.

- **Business Legacy Award:** Acknowledging businesses whose impact has not only shaped the present but has also laid the groundwork for future generations of entrepreneurs.

Each of these businesses, large or small, plays a pivotal role in the success of our downtown area. Their commitment to excellence, community, and innovation has helped establish Downtown San Angelo as the thriving, energetic hub it is today.

As we reflect on the last 20 years, we recognize that none of this progress would have been possible without the ongoing support and dedication of these incredible businesses. While we didn’t have the chance to hold a traditional anniversary dinner, this celebration has proven that the heart of Downtown San Angelo is not just about the buildings or the streets—it’s about the people who fill them with passion, creativity, and determination. We look forward to continuing to work together, celebrating our shared successes, and driving even more growth and innovation in the years to come.

Here’s to 20 years of Downtown San Angelo, Inc., and to many more years of progress, prosperity, and community spirit!

Out on the Town

Concho Christmas Celebrating 31 Years

The 2024 Concho Christmas Celebration marked a milestone as we celebrated 31 magical years of the Annual Tour of Lights. This year, the event was bigger and brighter than ever, with roughly 14,000 cars passing through the enchanting tour, making it one of the most successful seasons to date. Throughout the celebration, the community came together to bring holiday cheer to Downtown San Angelo. With the help of over 30 Community Hosts and 90 spectacular Christmas Parade floats, we saw amazing participation from local businesses, organizations, and families who worked tirelessly to make this season unforgettable.

In addition to the dazzling lights and festive floats, the celebration featured a variety of ancillary events that brought joy to all ages. From visits with Santa to holiday markets and live entertainment, the Concho Christmas Celebration provided something for everyone.

A huge thank you to everyone who participated, volunteered, and attended to make this year's celebration a heartwarming success. We look forward to another year of spreading holiday cheer and creating lasting memories in Downtown San Angelo!

Tamale Fest

The 3rd Annual Tamale Fest on November 9th, 2024, was a vibrant celebration of food, music, and community. With lively performances from Mariachi Los Caciques and Grupo Animo; the day was filled with energy and fun for all ages. Highlights included a tamale judging & eating contest, tamale tastings, artisan market & cultural Showcases, and family-friendly activities! Thanks to everyone who joined us for a memorable day—see you at next year's Tamale Fest!

Dia de los Muertos

The San Angelo Hispanic Heritage Museum & Cultural Center put on another beautiful Dia de los Muertos event, a vibrant and culturally rich festival that brought the community together for a family-friendly celebration. This holiday, which translates to “Day of the Dead,” honors and remembers loved ones who have passed, blending ancient traditions with modern-day festivities. The event featured stunning art displays, live entertainment, and an immersive experience into the deep cultural significance of the holiday. Attendees learned about the tradition of creating ofrendas (altars), offering food and mementos to guide the spirits of the departed back to the world of the living. It was a day of connection, remembrance, and festivity, celebrating life, family, and heritage with the San Angelo community.

Fire Safety and Prevention: Keeping Downtown San Angelo Safe

In recent months, San Angelo has experienced several fires in the downtown area, reminding us all of the importance of fire safety and prevention. As we continue to grow and thrive, it's essential that we understand how to protect our community, businesses, and historic buildings.

Here are a few key fire safety tips to keep in mind:

1. **Check Smoke Detectors Regularly-** Smoke detectors are essential in every building—whether you live or work downtown. Make sure they're functioning properly by testing them monthly and changing the batteries twice a year.
2. **Keep Fire Exits Clear-** For businesses, ensure that fire exits and escape routes are clear of obstacles. In case of an emergency, these exits need to be accessible to ensure safe evacuation.
3. **Create an Emergency Plan-** Every home and business should have an emergency plan that includes how to exit the building safely in the event of a fire, where to meet, and how to stay calm.
4. **Store Flammable Materials Properly-** Be mindful of how and where you store flammable materials, whether it's chemicals, oils, or even decorative items. These should be kept in a safe, well-ventilated area away from heat sources.
5. **Practice Safe Cooking-** Cooking is one of the most common causes of fires. Never leave a stove/ cooking utensils unattended, especially when using oils, grills, or other heat sources. Always keep a fire extinguisher nearby.
6. **Don't Overload Electrical Outlets-** Avoid overloading electrical circuits with too many devices plugged into one outlet. Faulty or overloaded wiring is a major fire hazard, so always inspect cords and outlets regularly.
7. **Properly Dispose of Cigarettes-** If you smoke, ensure that cigarette butts are fully extinguished before disposing of them. Never discard cigarettes in planters or trash cans, as they can easily reignite.
8. **Maintenance-** Regularly check fire safety and prevention equipment to ensure everything is in working order. Additionally, conduct monthly or quarterly inspections of vacant properties to ensure there are no unwanted occupants.

Prevention is key to maintaining the safety and well-being of our downtown area. If you own a business or are responsible for a building, consider working with fire safety professionals to conduct a fire risk assessment. Regular maintenance, proper safety protocols, and awareness can go a long way in preventing fires from occurring.

We all share the responsibility of keeping Downtown San Angelo safe, and by taking a few simple precautions, we can protect the heart of our community and its residents for years to come.

Stay safe, stay aware, and remember—fire safety starts with you! If you see something, say something!

Nice to Meet You: Outstanding Volunteer

Jaxon Hollon

My name is Jaxon Hollon, I grew up in the small town of Mereta TX and I went to Wall for most of my K-12 education. I thoroughly enjoy learning about history in my free time and even developed skills that allow me to research family history as a result of this fascination with the past. Specifically I find the fall of the Eastern Roman Empire in 1453 to be particularly harrowing. The sacrifice of Emperor Constantine XI Palaiologos at Constantinople against the Ottomans. Instead of fleeing to Italy he stayed to lead his men one final time, dying in battle the day the city fell. I find Constantine's bravery to be greatly inspiring and I often think about his sacrifice when I'm faced with hard choices in life.

I went to college for graphic design and got a Bachelor of Fine Arts from ASU. That's where I started my work at Downtown San Angelo, Inc. as a college intern during my final few semesters at ASU. There I worked on various graphics for events, filed papers, swept the floors and did pretty much anything they needed me to do. After completing my degree I continued to volunteer at DSA

Inc to stay busy while looking for a job in addition to tightening my skills and furthering my learning experience.

While volunteering at Downtown San Angelo, Inc. I learned to properly hone in on my critical thinking skills & confidence in my decision making. Effort and determination count the most. It's easy to take credit for good decisions but it takes discipline to take credit for the bad one's as well.

"Thank you, Jaxon for all you have done & continue to do for Downtown San Angelo! You are an invaluable member of our team & we cannot wait to see where life takes you!"

Established in 2004, Downtown San Angelo, Inc. was formed by a group of 35 individuals who were dedicated to downtown revitalization. In November 2005, the organization was granted membership in the Main Street Program. This program is a major effort by the National Trust for Historic Preservation to provide assistance to cities whose older central business districts are seeking to retain some vestige of their visual character and whose economic position is slipping. The premise of this program is that economic revitalization can take place within the context of historic preservation.

Why do I want to be a member? What does DSA do for me?

Downtown San Angelo, Inc. focuses on revitalizing and promotion commerce and the history of San Angelo within the downtown area. Not all projects that we engage in are geared towards helping an individual. We support Downtown as a whole; from preserving old buildings to bringing in new business, hosting events that bring visitors downtown, partnering with other organizations and everything in between.

When the area is more functional, visually appealing, and trafficked, your business wins for being in a purposeful, appealing and well-traveled location.

The Downtown San Angelo, Inc. program engages not just the district's property or business owners or local government, but all members of the community who are interested in the community's overall health. You can be part of preserving history and protecting monuments and locations that you may remember from your childhood for future generations. It is a preservation of the way of life in San Angelo where Downtown is the central hub and the entire community gains.

Downtown San Angelo, Inc. does not create this in itself, but is a huge component, utilizing historic preservation, promotions, design and economic restructuring in positive economic development.

We are a non-profit 501 (c) 3 organization. We receive a portion of our funding from the City of San Angelo, memberships, corporate sponsorships, private contributions and grants. Your donation could help to aid in our efforts. Involvement by both the public and private sectors is critical; neither can revitalize the commercial district without the other.
